

## Double or Triple Your Donation to WCA Through Employer Matching Gifts

Many employers sponsor matching gift programs and will match their employees' (and sometimes even spouses or retirees) contributions to qualifying charitable organizations. Below is a list of some companies with matching gift programs. If your company is eligible, request a matching gift form from your employer, and give the completed form to the school office. If your employer is not listed below, inquire with the HR department to find out if they have a matching gift program.
